

MOORSHALL FARM CLUB DIG

Year 2025 kicked off with the clubs first dig on Matthew Fenn's permission at Moorshall Farm near Kington St Micheal.. A more in-depth coverage of the event can be found in the Events section.

Terry Wagstaff found this William IV trade weight, which would have been the top artefact for this month, but he never realised he could enter it on the night. Coincidence has Terry spent his entire career in the weighing industry and knows a lot about trade weights.
